

Requests for Funds from Alpine Kiwanis Charities

Organizations who wish to request donations from the Alpine Kiwanis Charities Fund *must* do so in writing.

The Alpine Kiwanis Charities Committee will receive, investigate, and evaluate charity fund requests and recommend fund dispersal to the Charities Board of Directors. There will be *no recommendation for funds without a written request*.

It is the intent of Alpine Kiwanis Charities that, whenever possible, the fund dispersal is to be made to help youth, elderly, disadvantaged, or disabled who would not be helped through the normal activities of other agencies.

The Charities works a lot like the United Way. We fund projects and not organizations or individuals. Also, we do not fund projects that have already taken place and came up short of funds. We also do not fund normal operating expenses.

Written requests for funds may be submitted to any Alpine Kiwanis member or sent to:
Alpine Kiwanis Charities Fund, Inc., P.O. Box 5132, Rockford, IL 61125.

Thank you for your adherence to these guidelines, and we wish you well in your community service endeavors.
