WORD OF THE DAY

Apr. 3 – Gene Sjostrom

You know it's Spring when your neighbors complain that your Christmas decorations are clashing with their daffodils. – *Joan Staffen, HGTV*

Apr. 10 – Loren Johnson

1. You can get everything in life you want – if you help enough other people get what they want.
2. The advantage of a bad memory is that one enjoys several times the same good things for the first time.

Apr. 17 – Verla Sterett

One good turn usually gets the whole blanket.

Apr. 24 – Loren Johnson

You may be only one person in the world, but you may also be the world to one person – think about it!

NEXT DEADLINE: May 29, 2008

MEET OUR NEW MEMBER

RICK WELCH

Being a Kiwanis is Rick's first experience as a member of such a renowned and revered service fellowship, and he's anxious to step into personal action. As a new member, Rick looks forward to years of service-based fellowship and to

many opportunities to help our youth through club sponsored deeds and contributions.

Rick was born in Peoria in late 1949 and grew up there with his parents, sister and brother. After graduating from a local high school and junior college, he remained in Peoria for a few years working at a local can making factory.

In 1976, at 26, Rick went back to school, choosing Northern for its' good value and NIU's College of Engineering & Technology, and finished BS requirements with the Class of 1978. As he neared completion of his MS degree in 1979, Rick

started his current employment as an engineer with Sundstrand in Rockford, commuting from Sycamore.

In 1986, he married Kathy, who then worked at NIU. In 1988, they moved to their present home in Cherry Valley Township. In 1989, daughter Lauren was born, followed by son Christopher in 1992. Currently, Lauren is at Rock Valley College after graduating from Auburn High School last spring, and Chris is a sophomore at Guilford. Both children have a passion for tennis. Kathy is active with the Unitarian Universalist Church and its' community services, and loves travel, puzzles and Scrabble.

Rick is curious and loves learning about the history and nature of people and things. He enjoys people, travel, any kind of insightful discussion, book and TV program, and stays active with downhill skiing, pick-up basketball and family.
